

E-BIKE SAFETY MEASURES

SEE

Stop at stop signs and obey traffic lights; cyclists are required to follow the same traffic rules as a motorist.

BE SEEN

Wear light-colored clothing to stand out against a dark background as you ride and always use a front white light and a rear red reflector.

BE HEARD

Loud bike horns will help ensure your safety amongst traffic that prioritizes the sound of car horns above other warning sounds.

PLAN YOUR ROUTE

Look for roads with good lighting, bike lanes, and safe terrain. Also, plan for extreme weather like heat, rain, flooding, and poor air quality.

PREPARE YOUR RIDE

Take a safety class and get your gear: helmet, bright clothes, pant clips, mask, bike lock, and weather-appropriate clothes.
